Dear Yoni,

Thanks again for all your assistance and support of our efforts. Very much look forward to working together.

I am staying in Israel through the weekend as the Managing Partner (together with his top 3 other other partners) are coming to Israel Sunday and Monday. In speaking with Eric, it may be well worth the opportunity to meet again with Thesi of Marathon. Would a meeting on Monday work?

Also, they want to meet with the top of Teva (or at the very least VP for business development) as they think that their investment/partnership in China can hugely increase share-holder value.

A copy of the fund presentation is attached. Please let me know what you need from me.

Thanks again,
Carl
